BUSES: Bus parking will be available at the golf course or at Fuel Express Truck stop located at 3747 Express Dr. Exit 283 off I-40 (the same exit the golf course is on). If you plan to park at the golf course; buses will need to park on the far east side of the parking lot. There will be a golf course employee helping with parking. If you plan to park the bus at the truck stop; have you bus drivers drop you off in the golf course parking lot where they can turn around and proceed to the truck stop. This will help alleviate the congestion that we had in the parking lot the last few years. Please let your bus drivers know this prior to the meet.

TRASH: Please talk to your runners and have them pick up their trash. The Golf course needs to be left clean. Please help us keep it clean by not allowing athletes and spectators to throw trash on the ground. We will include a trash bag in your packet so please use it.

COURSE: The start/finish line will be next to each other and will be located on the #1 fairway. This will allow us to start and finish on grass. The rest of the course is on the cart path. The course is approx. 3.1 miles.

FINISH LINE:

In the team packet there will be race bibs for all of your registered runners. Every runner will need a bib pinned on their jersey before the start of the race. At the finish line runners will be placed in order of finish in the chute. As they are going through the chute please have your runners tear off the tag at the bottom of their bib. At the end of the chute workers will take the tag and the tags will be scanned for timing and scores. Please encourage your runners to tear off their tags and keep moving in the chute so there is not a log jam

We would also like to ask that you please, please, please help us keep everyone off all of the greens. The golf course employees and our volunteers had a very difficult time with this last year. If we want to continue to use the golf course we need everyone to help us. Thanks in advance and good luck!!!
